Type of use

___ residential
 ___ number of bedrooms

___ commercial
 describe use

___ will system be used for
 overnight rental?

Source of drinking water

___ private well

___ surface water

___ public source

System name _____

Please attach a site plan showing property lines, existing and proposed buildings, driveways, wells, neighbors wells (if known), and all other improvements that are planned for the property. If a plat map of the property is available, please include this. The preferred location for the tanks and drainfield should be indicated also. An additional fee (up to the entire design fee) will be charged for changes requested by the owner after the design has been prepared.

I agree to pay Tower Designs, Inc. the fees discussed and estimated above for the services requested as soon as the work is completed and invoices are presented for payment.
